## The Sedra

### A Dvar Torah Just for kids!

This Shabbat we learn about a mitzvah that we all know very well - bentsching. After we eat a big meal we have to say thank you. There are a lot of people that we have to thank; we have to thank our parents for buying and making the food, if we're at a restaurant we should thank the waitress for bringing the food, and even the chef for making it. But most of all we have to thank Hashem for everything that we have. We say thank you to Hashem by bentsching, or birkat hamazon.

## DID YOU KNOW?

*Since we are saying thank you to the kollel members who have taught us so much Torah this past month, let's learn about saying thank you.*

- **During the times of the Beit Hamikdash, when we used to offer korbonot, if anything really great happened we would offer a korbon Todah, a thank you offering.**
- **Today, when we don't have a Beit Hamikdash, when something special happens we daven and thank Hashem and sometimes say a special brachah called a birchat hagomel.**
